To whom it may concern,

Cammie Berry has outstanding qualities as a Realtor. She is low key. I have dealt with many Realtors and sold a lot of properties. I find Cammie to be the most outstanding Realtor. She is the first Realtor that I have found that would sell my property for exactly what I wanted. Again I mention, her service is outstanding. All of my other properties will be sold by Cammie Berry. I highly recommend that use Cammie as your Realtor. I am confident that you will be happy. You can not realize how much I have enjoyed working with her. Feel free to contact me if you would care to.

Sincerely,

A handwritten signature in blue ink that reads "Bob".
